TONE OF VOICE

OUR TONE OF VOICE

Words are a powerful tool for building our brand. It is important that we clearly and consistently communicate our brand, bringing us closer to our target audiences.

HOW DO WEST WEST WAS A STREET OF THE STREET

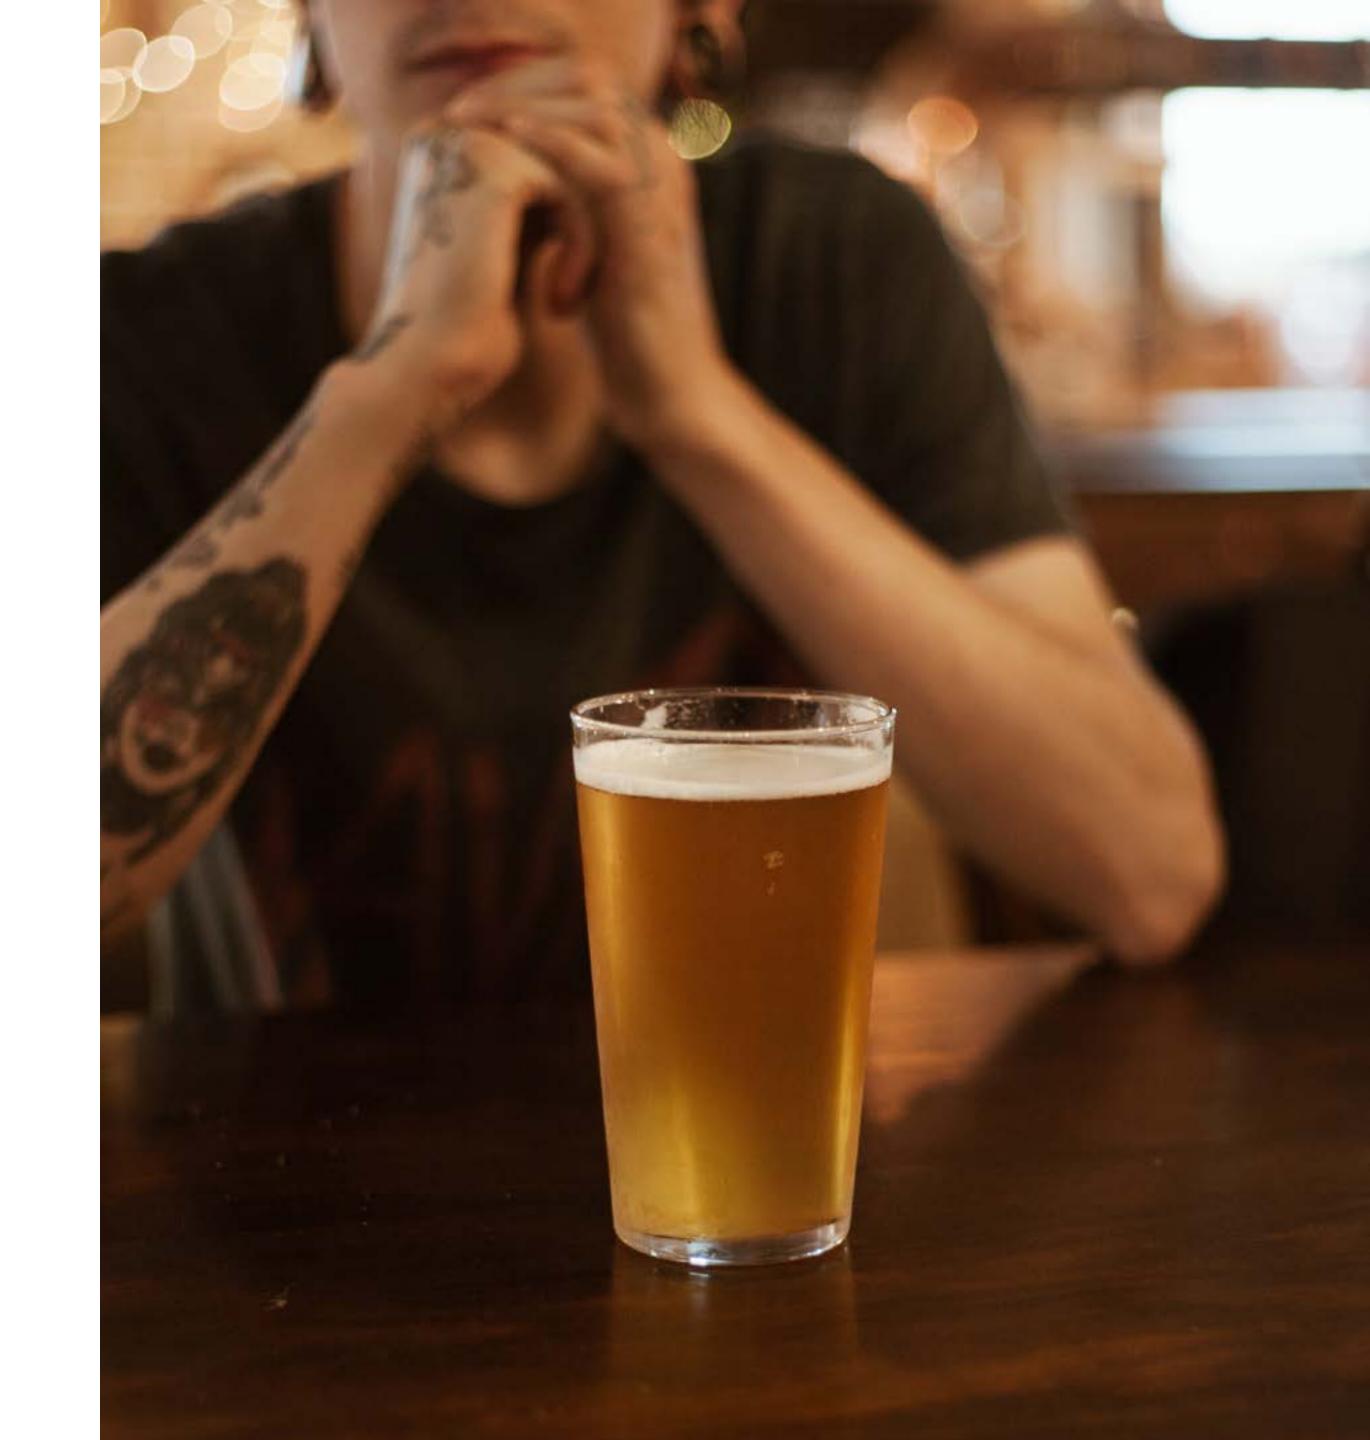

ZX Ventures is a brand that listens and interacts with its audience. We are sociable, friendly and engaging, with a confident attitude. We communicate in an objective way and value the exchange of ideas and different perspectives. We communicate using modern but easy to understand language.

HOW WE DON'T SPEAK?

We speak in a contemporary way, but we do not exaggerate informality and avoid using slang words. We are objective, but not distant or rude.

We don't overcomplicate our communications.

THE BRAND

THE LOGO

The constructive characteristics established in this manual should be respected in order to obtain a correct reproduction, without distortion or any variation in the original design of the brand.

PROTECTION AREA

We must maintain a minimum space between the ZX Ventures logo and other elements. The protection area is measured based on the size of the end of the symbol through to the end of the total logo.

REDUCTIONS

The minimum size preserves the readability of the logo and has the stipulated measure as shown below. For printing on graphic materials, the minimum dimension is 70 px in digital environments or 8 mm in printed form, using as reference the height of the logo.

8 mm

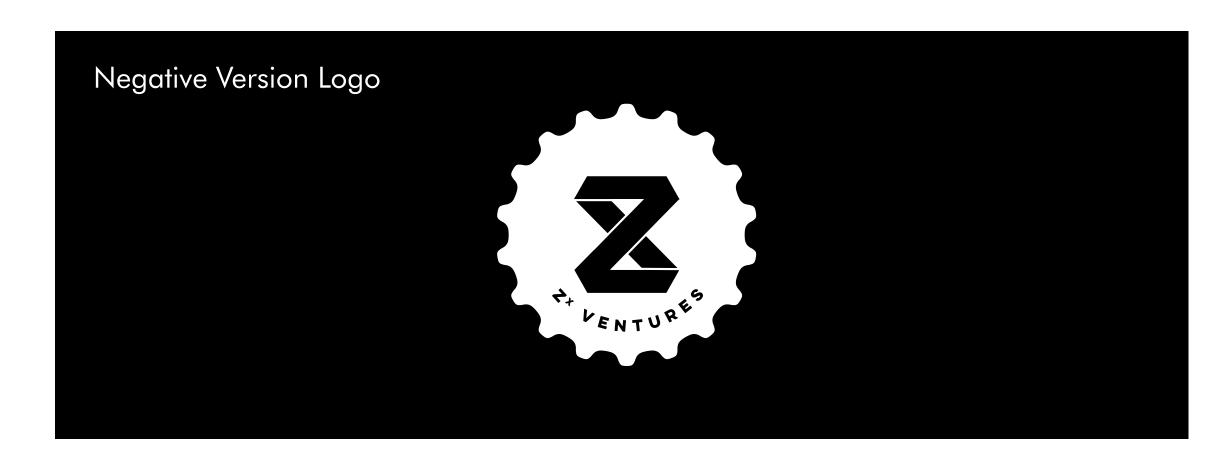

70 px

VERSIONS

The black or white version of the brand is to be used in situations where it is not possible to use the brand in its institutional color.

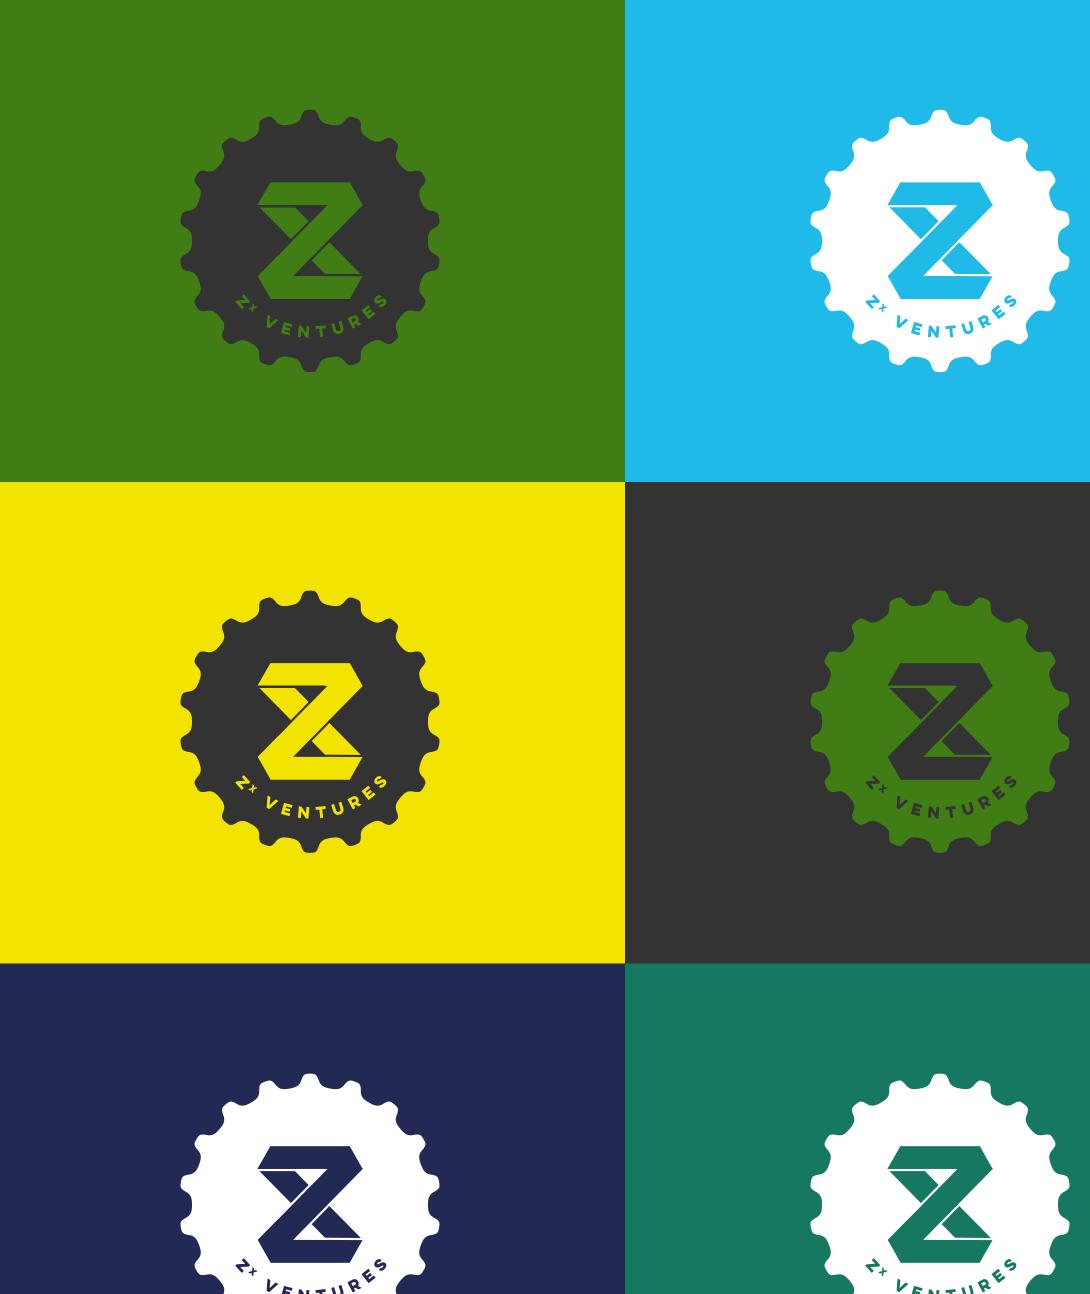

Positive Version Logo

BACKGROUND APPLICATIONS

The brand must be applied in order to guarantee maximum readability and minimal visual interference, avoiding any noise that could harm the identification of your drawing. Color backgrounds require greater attention for the application of the brand and the same recommendations must be observed in applications in images.Look for the most clean background to apply the logo.

WRONG APPLICATIONS

In order to not harm the communication of the brand, we'll present some examples of wrong applications that need to be strictly avoided.

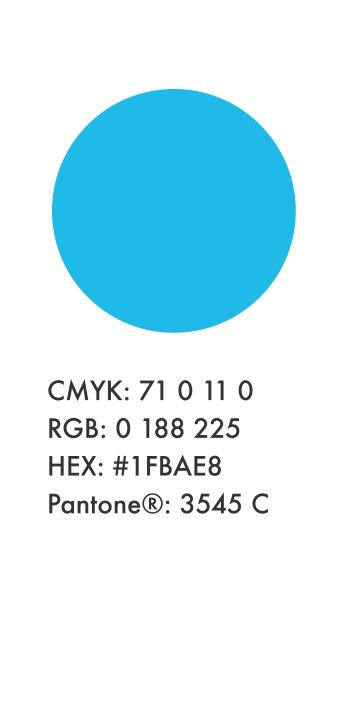

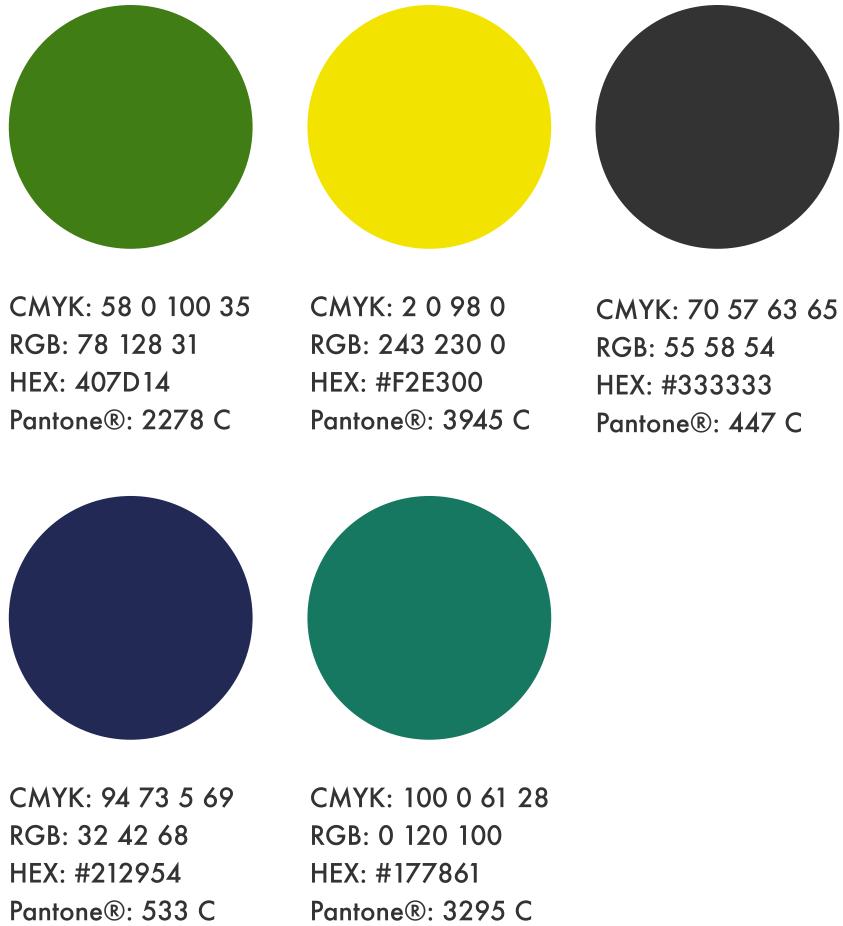

GUIDELINES

MAIN COLORS

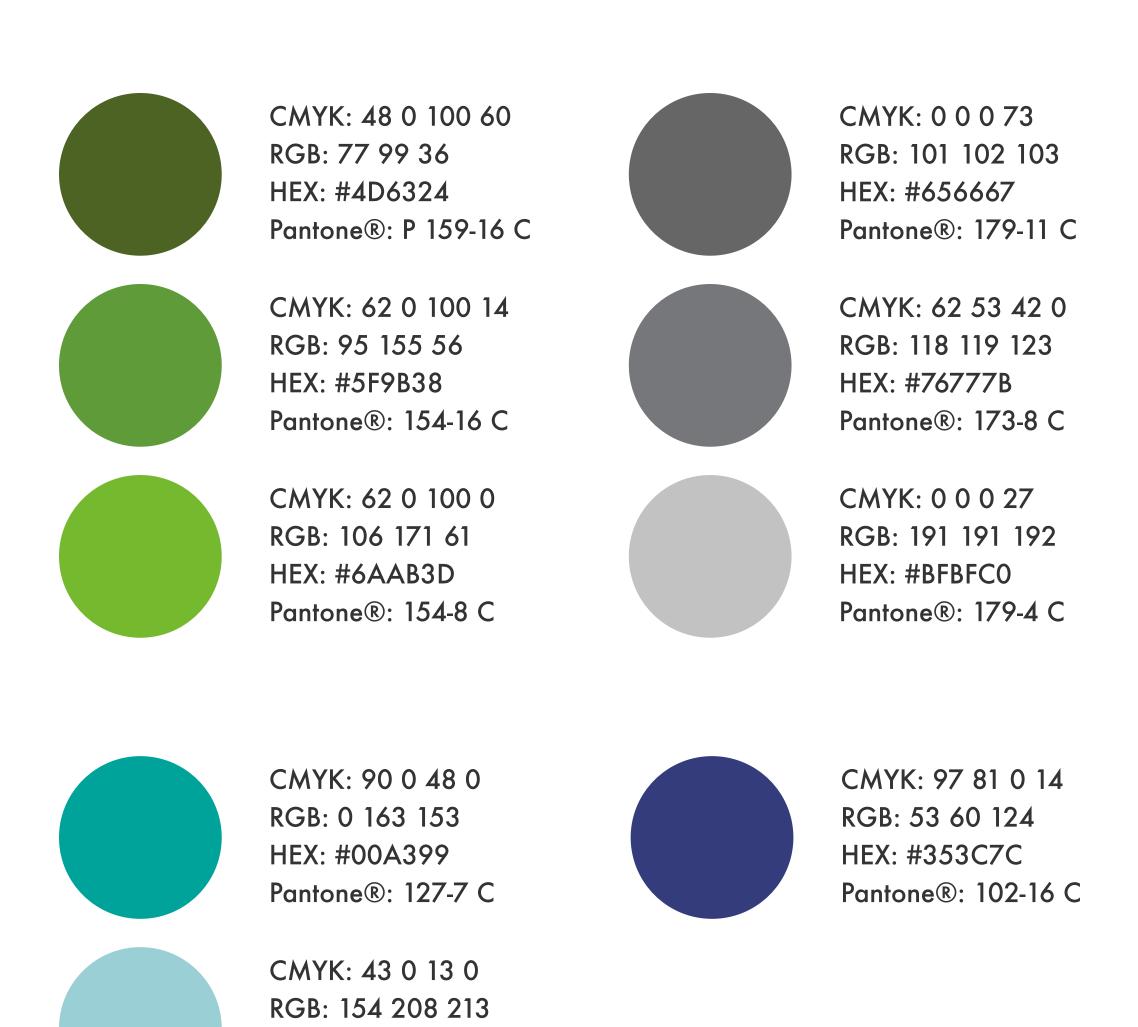

Blue, green, yellow and gray should be present in ZX Ventures communications to contribute to the construction of our brand identity. Shade variations of the official colors can be used to enrich communication.

SUPPORT COLORS

To expand possibilities and make a harmonious communication, we defined support colors which are only to be used together with the main colors.
